Roller Blind Fabrics *2026*

Blackout & Screen Collection — 122 fabrics in 22 series

THE COLLECTION

Fabrics for made-to-measure roller blinds

Luxiveil is the export brand of Gökcan Home Tekstil, a manufacturer of blinds and curtain systems in Antalya, Türkiye, producing since 1994. Every blind is cut, assembled and fitted with its operating mechanism in our own workshop, to the exact size of each window.

This catalogue presents our roller blind fabrics in two collections: **Blackout**, for complete room darkening, and **Screen**, for daylight and glare control with a view outside. Every fabric can be supplied as a manual or motorised roller blind, for single villas or complete hotel projects.
